NDSJC FUNDRAISING CONCEPT

My name is Leigh Schmid and I previously came from Mildura where I used this concept to raise funds for our Pony Club. It was really successful and now that my family have moved to SA and I have joined the NDSJC Committee I proposed that we give it a go here too.

If you have any old unwanted horsy gear or clothing you want to sell just make sure it is clean and I will do the rest.

I take the photos and do all the work to list your items on eBay; then when the auction is over I take all fees out of the final price and go 50/50 with the NDSJC and you. I take nothing for myself. I have a passion for eBay and enjoy raising funds.

Things that sell really well are:-

Jods, Boots, Bridles, Helmets, Safety Vests, Clothing, basically..... anything to do with a horse. The gear doesn't have to be in perfect condition and I will let you know if I think it won't sell.

There are no reserves as to save money I list at 99c. Most things get bids straight away; some don't; but over all good money can be made of things that were just sitting around. I can even sell other items that you think might get a price.

I must stress again that all gear has to be clean and I will reserve the right not to list items that are dirty or that I think won't sell.

Clean out your tack room, rummage through your clothing drawers and go through your float. You will probably be surprised!

So either bring your unwanted gear along to any of our Shows or contact me at any time on the email address below. I look forward to hearing from you.
